

Mason, New Hampshire : Stone Walls

Lines of small red circles : possible stone walls from 2019/20 QL1 LIDAR data. Caution: some may actually be ditches, road embankments, etc., misinterpreted as walls.
 Numbered circles with cross-hairs: T/L monuments GNSS located to $\pm 4'$. Thin dashed green line: connects T/L monuments, probable true town line.
 Map projection: EPSG:3614 (NSRS2007) / New Hampshire (FUS). Contours: 10' derived from 2019/20 QL1 LIDAR.
