
Spaulding Brook Conservation Area (B-17-1) + Piscataguog Land Conservacy (B-4-2)

B-4-2 PLC: Dotted red line: trail located using hand-held GPS.
B-17-1: Thick dashed green line: trail located using an accurate GNSS receiver. Thin reddashed line: previous trail no longer identifiable due to logging damage; needs repair & flagging.
Lines of small red circles = probable stone walls as seen in 2019-20 QL1 LIDAR data. 5' contours derived from 2019-20 LIDAR.
Parcel lines (approx.) & buildings (accurate) from 2017 NRPC. Wetlands & Ponds from NWIPlusNH 2017. Streams from NDHFlowline. Roads from NH DOT 2021.
Parcel background colors: Green: Town/State Conservation Lands; Yellow: other town lands; Thin green diagonal stripes: private conservation (PLC); White: private lands.

Map projection: EPSG:3614 "NAD83(NSRS2007) / New Hampshire (ftUS)". GPS grid: WGS 84, 0.001° steps (~ 360' in Lat, 267' in Long).
