SELECTMEN'S REPORT

If there were one word that might start a conversation this year it would be Weather. 2008 started with a continuing freeze and thaw cycle that would not end until March. The demand for salt to treat the roads put this commodity in high demand and exhausted the town's supply twice. Spring finally took hold and with it came one of the wettest summers on record. Hay became a scarce commodity because of the lack of dry weather. Despite the frequent precipitation the bridge washout on the railroad trail was repaired. This was a direct result of grant money applied for by the Conservation Commission from the New Hampshire Bureau of Trails. Volunteer work by the Commission members defrayed much of the cost of the town's portion of the repair bill. The Commission was finally successful in selling the Whittaker House, thus allowing the purchase of 283 acres of land in the northeast corner of town. The proximity to the Milford conservation land as well as the Fifield easement will provide a unique green corridor for wildlife and recreation. An Eagle Scout Project headed up by Tom McGuire and Troop 264 will allow for the easy crossing of Spaulding Brook for equestrians and hikers.

Drs. Ellis and Lipin, long time residents of Mason, continued a particularly generous tradition. A donation of forty acres situated across the railroad bed from the terminus of Scripps Lane.

A second word that would continue the conversation would be **Withdrawal**. Mason was successful in its third attempt to withdraw from the Mascenic Regional School District. An interim Mason District School Board consisting of Joe McGuire, Mary McDonald and Wolfgang Millbrandt, was sworn in. The board quickly prepared for a special district meeting that would raise an interim budget, elect three permanent board members and start the Herculean task of preparing for classes in September of 2009. It was gratifying to see the turnout of residents who would volunteer for five committees at the first Mason School District meeting in 38 years.

A third word to continue the conversation is **Community**, embodied in Old Home Day, a wonderful event not soon to be forgotten. The celebration dedicated the 240th anniversary of the chartering of the Town of Mason. The morning started with a pancake breakfast at the church, a raising of the flag on the common, and a recounted history of the town. Lee Siegmann dressed in period garb, impersonated Captain Obadiah Parker and rendered a first person account of the journey to retrieve the town charter and the peculiar circumstances leading to the naming of the Town, Mason. The day also offered the opportunity to dedicate the bronze statue of Bode, our first resident. More than forty people attended and were entertained by the black storyteller Brother Blue. The classic sunny day continued with demonstrations, games, rides, crafts, exhibitions, music and a tour of Uncle Sam's house. Residents, former residents, politicians and folk from surrounding towns comprised the thousand, estimated in attendance. The Mason Historical Society is to be commended for creating the opportunity to bring our community together. A special thanks to Charlie Moser and Linda O'Grady the co-chairs of the event.

A fourth word that would end the conversation for this year would be **Ice Storm**. On the evening of December 11th, a storm that would surpass the damage of the 1998 storm hit. That evening residents listened to the continuous crack and crash of limbs and trees from their darkened houses. Power was lost from nine to fourteen days depending on where you lived in town. There was hardship. There was also a celebration spirit of Mason's earlier residents and an overwhelming sense of community permeated the town. Before the limbs stopped falling, the

town started taking stock. Roads were cleared. Generators were turned on, chainsaws were started, and neighbors started helping neighbors. Debris still lingers under the snow. The Mason School Building Committee is refining Mason Elementary School's addition, and there is a petition warrant article that will continue the conversation into Mason's 241st year.

Respectfully submitted,

C. Christopher Guiry D.M.D., Mark Richardson, Anne Richards

MASON TOWN WARRANT The State of New Hampshire

The polls will be open from 11:00 AM to 7:00 PM at: Mason Town Hall.

To the inhabitants of the Town of Mason, in the County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to come to the polling place at the Town Hall in Mason at 11:00 AM on Tuesday, the 10th day of March, 2009 for the election of Town officers pursuant to Article 1 of this Warrant, bringing in your ballots for the following:

Selectman	3 years
Town Clerk/Tax Collector	3 years
Treasurer	3 years
Trustee of Cemeteries	3 years
Library Trustee	3 years
Trustee of Trust Funds	3 years

And to cast your ballots pursuant to Article 2 and Article 3 regarding amending the Town of Mason Planning and Zoning Ordinance, Appendix A, Article XVIII: NH Model Floodplain Development Ordinance as necessary to comply with requirements of the National Flood Insurance Program and Article 4 regarding adopting the provisions of RSA 40:13 (known as SB 2), as petitioned.

The polls will be open continuously until 7:00 PM when they shall close. You are hereby notified also to meet at 7:30 PM on Wednesday, the 11th day of March, 2009, and at the same place to act upon Articles of this Warrant.

1. To choose all necessary Town Officers for the ensuing terms.

Article 2 and Article 3 were reviewed at public hearings on January 14, 2009.

2. Are you in favor of the adoption of amendment No. 1, as proposed by the Mason Planning Board, to the Town of Mason Planning and Zoning Ordinance, Appendix A, Article XVIII: NH Model Floodplain Development, as necessary to comply with the requirements of the National Flood Insurance Program as follows:

Amend **Article XVIII: Floodplain Development Ordinance** by deleting the words "as permitted by RSA 674:52. This RSA was repealed by the Legislature in 2002.

3. Are you in favor of the adoption of amendment No. 2, as proposed by the Mason Planning Board, to Town of Mason Planning and Zoning Ordinance, Appendix A, Article XVIII: NH Model Floodplain Development, as necessary to comply with the requirements of the National Flood Insurance Program as follows:

Amend **Appendix A** as follows: **new construction** means, for the purposes of determining insurance rates, structures for which the" start of construction" commenced on or after the effective date of an initial FIRM or after December 31, 1974, whichever is later, and includes any subsequent improvements to such structures. For floodplain management purposes, *new construction* means structures for which the *start of construction* commenced on or after the effective date of a floodplain management regulation adopted by a community and includes any subsequent improvements to such structures.

Approved by the Mason Planning Board.

Article 4 was reviewed at a public hearing on February 17, 2009.

- 4. To see if the Town will vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town. By petition.
- 5. To see if the Town will vote to raise and appropriate the sum of One million five hundred twenty-nine thousand, seven hundred forty-three dollars (\$1,529,743) which represents the operating budget. Said sum is exclusive of all Special or Individual Articles addressed.
- 6. To see if the Town will vote to authorize the Selectmen to enter into a three year lease/purchase agreement in the amount of Twenty-eight thousand dollars (\$28,000) to purchase a new cruiser for the Police Department and to appropriate Nine thousand three hundred seventy five dollars (\$9,375) from the insurance settlement received on the totaled police cruiser, for the first year's payment of this lease. (Requires 2/3 ballot vote.)
- 7. To see if the Town will vote to raise and appropriate the sum of Fourteen thousand five hundred thirty-three dollars (\$14,533) for equipment for the new cruiser for the Police Department and to appropriate Fourteen thousand five hundred thirty-three dollars (\$14,533) from the insurance settlement received on the equipment of the totaled police cruiser.
- 8. To see if the Town will vote to raise and appropriate the sum of Ten thousand five hundred dollars (\$10,500) to pay the Nashua Regional Planning Commission (NRPC) for the balance of costs resulting from the Town of Mason joining NRPC.
- 9. To see if the Town will vote to raise and appropriate the sum of Six thousand eight hundred dollars (\$6,800) for the purchase of a zero turn mower for use in the cemeteries and parks, or take any other action relative thereto.
- 10. To see if the Town will vote to raise and appropriate the sum of Six thousand dollars (\$6,000) to be added to the Highway Construction Capital Reserve, previously established, or take any other action relative thereto. Recommended by the Selectmen.

- 11. To see if the Town will vote to raise and appropriate the sum of Five thousand dollars (\$5,000) to purchase five new air bottles for the Fire Department, or take any other action relative thereto.
- 12. To see if the Town will vote to raise and appropriate the sum of Four thousand five hundred dollars (\$4,500) for the repair and replacement of culverts on Brookline Road, or take any other action relative thereto.
- 13. To see if the Town will vote to raise and appropriate the sum of Four hundred dollars (\$400) to be added to the Cemetery Land Improvement Trust Fund, previously established and to authorize transfer from the December 31, 2008 Fund Balance of that amount received from the 2008 sale of cemetery lots for this purpose. Recommended by the Selectmen.
- 14. To see if the Town will vote to raise and appropriate the sum of Four hundred dollars (\$400) to be added to the Highway Equipment Capital Reserve Fund, previously established and to authorize the use/transfer from the December 31, 2008 Fund Balance of that amount received from the 2008 sale of highway equipment for this purpose. Recommended by the Selectmen.
- 15. To see if the Town will vote to accept the following: Acceptance of Credit Cards. The Town Clerk/Tax Collector will be allowed to accept credit card payments pursuant to RSA 80:52-c for the collection of local taxes, charges generated by other services or fees. The Town will add to the amount due, in addition to any interest and penalties payable, a service charge for the acceptance of the card. The amount of the service charge shall be disclosed at the time of billing. The Board of Selectmen in coordination with the Town Clerk/Tax Collector may adopt rules and regulations regarding the collection procedures.
- 16. Shall the Town will vote to adopt the provisions of RSA 36-A:4-a, I(b) to authorize the Conservation Commission to expend funds for contributions to "qualified organizations" for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the town will retain no interest in the property?
- 17. To see if the Town will vote to authorize the Selectmen and the Road Agent to sell or dispose of surplus equipment from the Highway Department, or take any other action relative thereto.
- 18. To see if the Town will vote to authorize the Selectmen and the Fire Chief to sell or dispose of surplus equipment from the Fire Department, or take any other action relative thereto.
- 19. To see if the Town will vote to authorize the Selectmen and Police Chief to sell or dispose of surplus equipment from the Police Department, or take any other action relative thereto.

Town Clerk & Tax Collector Report

It has been our pleasure to serve the residents of Mason this past year. We would like to summarize some of the developments during 2008.

We used the final portion of our record preservation grant money to have additional records professionally restored. Feel free to ask to see them during business hours. The mail-in registration program for vehicles and dogs continues to be popular. We would like to remind residents to make sure to include a self addressed stamped envelope when using the mail-in service for vehicles or dogs. For 2008 we licensed 423 dogs. The rabies clinic was successful and is now set for the future, to be the third Saturday in April. As long as we have current rabies information, you can license your dog(s) via mail. In June we went on-line with the NH Department of Motor Vehicles. We can process both the Town and State portion for vehicles up to 26000 pounds and issue additional varieties of plates such as conservation, farm, and vanity. Now that we are on-line with Vital Records we are able to assist residents in obtaining vital record copies no matter where the event took place.

We have extended our hours to 10 AM-4 PM on Tuesday and Thursday as well as maintaining Wednesday evening and the last Saturday of the month.

Respectfully submitted,

Susan Wagoner, 70wn Clerk/7ax Collector

Dee Mitchell, Deputy

Siobhann Jones, Assistant Clerk

TOWN CLERK'S REPORT

Cash on hand January 1, 2008	\$50
Cash received:	
Dog Licenses	2,311

MASON HIGHWAY DEPARTMENT REPORT

The Mason Highway Department started January off with the loss of one of our newer dump truck/sanders. It was parked at a truck repair shop in Greenville for some repairs, when the building exploded; destroying the building and our truck. Working with the insurance company we were able to find a replacement truck that was set up properly, and purchase it. We were able to get the replacement truck in service within one month. With 39 winter storms marking the winter of 2007-2008, a road salt shortage developed, and before we could find an alternative supplier, we were out of salt. This allowed ice to build up on the paved roads, which soon became full of potholes.

Remarkably, the mud season passed without much trouble. Once we got into the summer season it became apparent, however, that the pattern of storms was continuing from the winter. There were many summer downpours that filled in our water passes and culverts with sand and debris. The backhoe spent most of the summer keeping up with these drainage issues. The weather had taken a toll on the paved roads in the form of major potholes and broken pavement. The patch crew was trying to fill all the holes all summer. Our regular dirt road grading and graveling was greatly hindered by the amount of rainstorms. We were able to deal with several drainage issues and culvert replacements on our dirt roads.

The intersection of Churchill Road and Rte. 124 was improved by a local business as a result of conditions set by the Planning Board. This greatly improved the safety of this intersection, by lowering the grade, and straightening out the approach.

Our summer paving project was the section of Brookline Road from Depot Road to Scripps Lane. This has improved the road surface, allowing a better ride as well as allowing the plows to scrape the road surface cleaner in the winter.

This fall we were able to bring in a portable crusher, and make a large supply of crushed gravel for top dressing on the dirt roads, and for use on other road projects. We were able to haul some crushed gravel onto the roads; however, the fall rains limited the amount hauled.

December brought us cold weather and then a severe ice storm. The Mason Highway Department worked during the storm to try and keep the roads open. When this task became too dangerous, the crews were pulled back in until such time as it was deemed safe to resume the work of clearing the roads. With the help of some local contractors, we were able to open at least a path through most all town roads within a few days. Then the task was to prepare for two large snowstorms. Working around the downed power, phone lines, and utility poles, we were able to plow most of all the town roads. As the power crews worked in town, we worked with them to assist in reaching the problem areas. While the snow has covered most of the brush, the problem will have to be addressed when it melts. The clean up along the town right-of-way will be ongoing well into the summer. The Federal Government has declared The State of New Hampshire a disaster area. As such, we will be eligible to be reimbursed for some of the cleanup costs. I would like to thank the other town departments for their help during the past year. Also thanks to the Selectmen and their Administrative Assistant for their help with the administrative details.

Please remember, if you must plow snow across the road, clean up after yourself.

Sincerely submitted,

Road Agent David P. Cook

MASON POLICE DEPARTMENT

Uring 2008 we experienced an increase in domestic related incidents such as assaults and threats along with an increase in theft related incidents. Sadly this is the normal progression of a declining economy. Marijuana, crack cocaine and heroin continue to be drugs frequently found during investigations and motor vehicle stops. Large numbers of dirty hypodermic needles continue to be found along route 31 and Brookline road so please use caution when walking in these areas and report the location to the police if any are located. As always, please make sure to report any suspicious vehicles or persons. Your reports are what bring us into the area to make contact with criminals.

Officer Eric Godfrey was deployed with the Army for most of 2008. He was able to return for about one month before being deployed again. Officer Godfrey is still currently deployed and we wish him and his family the best of luck.

The proposed budget for 2009 shows no increase. A warrant article has been entered for a new cruiser as the 2004 cruiser was totaled in a motor vehicle accident during the December ice storm. It was my intention to try and get one more year out of the 2004 but that was not possible. This is a piece of equipment that we must have, to properly perform our duties.

Respectfully submitted,

Police Chief Barry G. Hutchins

MASON FIRE DEPARTMENT REPORT

Captain Roland Theriault retired after 11 years on the Mason Fire Department. He came to our Department from the City of Nashua Fire Rescue Department, where he retired after 24 years. His experience and knowledge in firefighting, as an officer and an advisor to the Fire Department Explorers will be missed.

Sadly, this year we had a fire in town that resulted in a death. This is the first in my 33 years with the Mason Fire department.

The Mason Fire-EMS Department also took an active role in the ice storm effort by opening the Fire station during the evenings for people to get water and to get warm. A listing for the shelter in Milford was also available at the fire station. The members also went around town to see some of our elderly population to make sure they were all right.

We sent three new members to Firefighter Level 1 training this year. This training involves all the basics of firefighting, and takes about six months meeting two nights a week, and at least one weekend a month.

The Department desperately needs some new members. If you would like to volunteer, please contact any member, or call the Chief @ 878-2279 Day or Night.

The members of the Department again helped to keep the equipment in great shape by doing minor repairs and maintenance work.

I would like to thank the members of the Department for taking time away from their families and jobs to train to handle emergencies, and to answer calls for help.

With all the brush down from the ice storm, I would like to remind everyone that a written permit is required to burn brush if the ground is not completely covered with snow. Please call the dispatch center @ 1-800-562-8201 for info on getting a permit.

Respectfully Submitted,

David P. Cook Fire Chief

Mason First Responders

During the fall of 2008, we had three members who were "First Responders" take a bridge class to become EMTs. This allows them to be licensed as a State of NH EMS provider. We continue to train with the Brookline Ambulance Service, which transports patients for Mason. This builds teamwork between the departments that assists us to provide great EMS service for the town.

Members attended outside training seminars including water rescue, wilderness rescue, pediatric emergencies, stroke emergencies, and street drugs.

I wish to thank the members of the department for their time and dedication. I would like to thank the Brookline Ambulance service for their fine service, and their Director for all of his help over the course of the year.

HOME HEALTHCARE and COMMUNITY SERVICES, INC.

Report to the Town of Mason January 1, 2008-December 31, 2008

If n 2008, Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Mason. Services included 81 nursing visits, 33 physical therapy visits, 9 occupational therapy visits, 5 medical social visits, and 30 home health aide visits. The cost of service provided with all sources of funding is projected to be \$22,360.00. The following services are available to Mason residents to assist residents to recover at home or to continue to live independently at home:

Visiting Nurse

- Physical Therapy
- Occupational Therapy
- Speech Pathology
- Personal Care
- Supportive Services -homemakers and respite care
- HCS also offers a comprehensive in-home Hospice care for patients and bereavement support for family members.

HCS also offers health promotion services:

- Prenatal care and well child services for income eligible families
- "Nurse Is In" clinics check blood pressure and answer questions for everyone

HCS welcomes inquiries at 1-800-541-4145 or our outreach program is available to talk with seniors and families about home care options at no cost.

REPORT OF THE BUILDING INSPECTOR

There have been thirty-eight (38) Building Permits issued during 2008. They were issued for the following (and the total valuation is also listed):

9	Permanent Dwellings	\$1,067,820
2	Additions to Home	24,253
4	Remodel/finish rooms in homes	80,735
5	Decks/Porches Additions to Home	22,417
5	Garages	44,393
1	Garage Addition	6,000
2	Sheds	56,604
7	Barns	101,634
1	Barn Addition	6,537
2	Septic Repair	<u>6,000</u>
	TOTAL	\$1,416,393

Of the nine permanent dwellings, three were renewal permits. Of the two additions to homes, one was a renewal permit. Of the seven barns, three were renewal permits. There have been 2 Oil Burner and/or Oil Storage Permits issued. A permit is required for installing and operating oil-burning equipment that includes replacement oil burners and/or oil storage tanks. Some residents do not understand when a Building Permit is required. Please refer to the Town of Mason Planning Ordinance, Article VII. I will be happy to help with any questions.

The House and Waterhole Numbering System is continually being updated and new numbers issued. It would be beneficial if all residents would use their correct house numbers and post the numbers using three-inch high reflective numbers, facing both directions.

Permanent boundary markers have to be checked on lots without an existing dwelling, before a Building Permit can be issued. If the lot has been created by a subdivision, every iron pin, drilled hole and granite bound that is shown on the plat must be checked. This was approved at the March 2004 Town Meeting.

I hold office hours at the Mann House on Tuesday evenings by appointment only. Please call 878-2894 for your appointment or questions. Respectfully submitted,

Building Inspector

Kenneth B. Wilson

PLANNING BOARD REPORT

The Mason Planning Board reports there were no new applications presented in 2008, although there were several 2007 applications completed early in the year. They are listed below.

The most notable activity of 2008 was the approval by Town voters of two amendments to the Town of Mason Planning Ordinance. At the March 11, 2008 town meeting, the voters approved a citizen petition amendment to the Town of Mason zoning ordinance. It changed the definition of lots in the GRAF zone to: "...A conventional lot shall be 350 feet of frontage on a class V highway or better and the minimum lot area shall be 174,240 sq. ft. (4 acres) per dwelling unit." In September, the Planning Board sponsored this amendment to clarify the status of existing three-acre lots in the GRAF zone: Notwithstanding the frontage and lot area imposed by this section, a lot approved by the Planning Board prior to March 11, 2008 shall be deemed conforming to the minimum lot size and frontage requirements of the GRAF zone."

All towns in New Hampshire are assigned into regional planning districts. Mason had belonged to the Southwest Regional Planning Commission since its inception. This year, we petitioned the State to transfer our town to the Nashua Regional Planning Commission (NRPC), which has excellent facilities and a stable staff to guide our town. The first order of business with the new planning commission was to formalize the *Mason Planning Board Rules of Procedure*, a document that describes procedures for holding meetings, accepting applications, rendering decisions, keeping records, and Right-To-Know compliance. We also began to discuss the preparation of a Capital Improvement Plan (CIP), which more clearly identifies a schedule for purchasing capital equipment for the town to allow for a more comprehensive evaluation of town projects and debt structures. Finally, with the guidance of the NRPC, we drafted an amendment to the Floodplain Ordinance for compliance with FEMA standards.

Month	Hearing	Applicant	Type of application and outcome
Jan 2008	07-13	Foster Revocable Tr	rust 1 lot subdivided into 2 lots
Feb 2008	07-11	Dimension Spas Un	limited 1 lot subdivided into 2 lots
Jun 2008	07-12	Martin Ruggiero	Site Plan Review
Aug 2008	07-14	Cynthia Hajjar	Lot line adjustment

Respectfully,

Planning Board

REPORT of NRPC ACTIVITIES for the TOWN OF MASON

This is the first annual report of Nashua Regional Planning Commission on activities for the Town of Mason. Although Mason only joined NRPC as of July 1, 2008, there are several activities and projects that have been undertaken. Also described below are projects and activities that are underway region-wide that may be of benefit to the town.

Projects for Mason

GIS Data Development for Mason - NRPC is one of the leaders in the use and application of Geographic Information Systems (GIS). These computerized mapping systems are used for highly sophisticated mapping and analysis of all types of geographic data related to land and water, transportation, the environment or public health and safety. Since Mason joined NRPC as a new member, NRPC has been working to develop a complete library of GIS data sets for the town. Computerized map coverages that have been developed or updated include complete parcel mapping for the entire town, zoning, building locations throughout the entire town, streets and roads, conservation lands, flood plain, wetlands, land use, and water features among others. All these data sets are now complete and are available to the town and also for the preparation of specific map products upon town request.

- Standard Map Series NRPC staff is also developing standard maps for Mason. There will be standard maps for Land Use, Roads and Town Features, and Conservation and Natural Features. The maps will be printed and two sets provided to the town. In addition, the maps will be available online at NRPC's website for downloading and use. The standard maps will also serve as the base or background for other map products.
- Mason Circuit Riding Planner One of the services that Mason has selected is to have an NRPC Circuit Riding Planner. In this service, one of NRPC's highly experienced planners, Assistant Director Kerrie Diers, acts as the town's professional planner on an hourly basis. Ms. Diers assists the planning board with general planning services such as updating the rules of procedure and drafting proposed zoning and regulatory changes, as well as specific review of development applications. The Board will be working with NRPC staff on a Capital Improvement Program in the coming year.

Respectfully submitted,

Stephen W. Williams

Total All Funds 12/31/08	

year of many accomplishments, many irons in the fire from recent years past that have finally been struck.

The big news of course is the fruition of our long-standing plan to sell the Whitaker house (part of the Potter bequest) and purchase from Mr. Steve Moheban a 282-acre property in the northeast corner of town. Mr. Moheban and his business partner purchased the Whitaker house for \$215,000, the money being immediately returned to him, along with additional moneys from our bond (authorized by Town Meeting this year) and other Commission funds, to purchase his property. Many thanks to all involved in bringing this deal to a close, and especially to Mr. Moheban for his patience and understanding.

Of similar note is the land gift from Drs. Lipin and Ellis of a 47-acre parcel along the railroad bed trail. The tract harbors a beautiful stream course and valley, and rich wetland habitat. At the donors' request, the area will be known as "Downs Forest" in recognition of Bill Downs who has

been instrumental in managing their land holdings. The town greatly appreciates this generous

Working closely with the Fifield family and NH Land and Community Heritage Program (LCHIP), we completed the Fifield Tree Farm Conservation Easement this year, forever protecting 506 forested acres crossed by a mile of Spaulding Brook, as Woodie Fifield envisioned. Over 6 miles of trails are available to the public for low-impact travel (no motors or wheels). Much thought and time went into crafting this easement to assure that it will be workable in perpetuity. LCHIP supported the project with a \$57,000 grant, which represents a small fraction of the conserved land's value. The Town is very grateful to the Fifield family for carrying out Woodie's vision for this beautiful corner of Mason, and to LCHIP for persevering as the details were worked out. And the good news keeps coming. Thanks to a Trails Bureau grant, we built a new bridge on the railroad bed trail at Black Brook. Most of the grant match came in the form of volunteer construction labor, and we extend a heart-felt thank you to the Winter Wanderers Snowmobile Club and Mason Area Neighborhood Equestrians Club for their work. The new bridge replaces one destroyed by flood in 2007, is strong, safe, and attractive, and will withstand seasonal high water. In fact, you could drive a truck over it (we did!).

In a more contemplative vein, we realized our goal of using proceeds from last year's yard sale (and thanks to all who helped) to purchase a headstone for Bronson Potter's grave. The stone commemorates his unforgettable sub-trestle aerial excursion. If you have a moment, stop by and say thanks to the "Crimson Baron".

In other Potter-related news, we finalized a lease-agreement for the A-frame house on Old Ashby Rd., where the current tenant will continue to live in a financially self-sustaining relationship with the town. (Rent from the property goes in a special fund dedicated to property expenses. In addition to rent, the tenant pays the town property taxes assessed on the house and associated land.) The tenant will handle (and has handled) many of the maintenance costs personally, and assisted us in much-needed repairs to septic and heating systems.

In addition to these completed items, we have several ongoing projects underway. We're working with DES and NRWA on a state-sponsored groundwater reclassification program to increase protection for and awareness of important town water sources. We've received donations for improvements to the Florence Roberts Forest, and continue to work with the Boy Scouts and others to establish trails and a parking area. The Commission is working with Barbara DeVore to provide environmental education programs to honor Florence Roberts; our first, "Eyes on Owls," was a great success. And the legal process continues to move forward on the gift from Mr. Esau Stanley of a Campbell Mill Road parcel.

Respectfully submitted,

Conservation Commission

Forestry Committee Report

The Forestry Committee continues to encourage accepted land management and forestry

practices for the Town. This will be a challenging time in view of the considerable damage the public and private forested areas of the Town have sustained due to the December ice storm. The snow that followed the storm has hidden a lot of the debris. The amount of damage will be apparent after the spring thaw and an inventory can be conducted to estimate its severity. One aspect of the aftermath will be serious. The threat of forest fire due to the amount of drying fuel will be a persistent problem for the next several years.

Mr. Jonathan Nute, the County Forester, will conduct seminars around the County on strategies of dealing with the storms impact.

The Forestry Committee will consider the Town's specific needs as well as plan for maintaining the continued health of Mason's timber and wildlife habitat.

Respectfully submitted,

Forestry Committee

masonlib@myfairpoint.net

2008 was another record year for our Library. We saw a significant increase in Library usage. We have seen an increase in our circulation as well as use of the state wide Inter Library Loan System. We counted 10,794 items borrowed from our Library this year, an 18% increase over last year. Inter Library Loan items accounted for another 717 items. This represented a 50% increase in this service. In kind, we lent 239 items to other libraries, a 6% increase.

We continued to offer a variety of well received programs. There were several sessions of Story Times for preschoolers. The Ground Hog Day search was a big success. The Summer Reading Program "G'Day for Reading" was well attended. The Noon Book Club and the Mom's Book Group met on a regular basis. The "Twig's Tweens" continued to meet through October. The "Tweens" assisted in many of the library programs for children. The annual tradition of the Greening of Mason continued on the first Saturday in December. Everyone enjoyed the holiday stories, songs and crafts.

The Library participated in the Old Home Day celebration on Saturday, September 13th. This event celebrated the birthday of "Uncle Sam" Wilson and the dedication of the Bode Statue in honor of Elizabeth Orton Jones. The staff honored former local authors C.W. Anderson, Elizabeth Orton Jones, and Bronson Potter.

The Trustees compiled <u>The Rural Character</u> cookbook. They assembled many great recipes submitted by Mason residents and friends. We still have copies available for sale in the library.

This year, we said farewell to long time volunteer Joanne LeCount. She is missed by everyone, especially the young children that she interacted with on Wednesday mornings. We appreciate the hard work and dedication of our 2 volunteers, Jenny Greenwood and Anita Crehan. Anita has been instrumental in helping us get closer to our goal of automation by bar coding and entering card catalog info into the State Library system. We welcomed a new employee, Judy Forty. Judy brings with her many years of related experience, most recently as a former trustee.

We appreciate your patronage and look forward to seeing you in the upcoming year.

Respectfully submitted,

Library Staff and 7rustees

REPORT OF BUILDINGS and GROUNDS

Most of our time this year was spent on the Mann House. All of the siding was replaced on the sun room behind the Mann House. On the front side of the Mann House, the front door unit and the sill under the front door were replaced. Also the siding was replaced from the bottom of the wall to the top of the first floor windows.

We also did some painting on the Town Hall. The ice storm damaged the entrance to the Library and broke a window on the Town Hall.

Respectfully submitted,

Buildings and Grounds Manager

Wallace A. Brown

REPORT OF THE CEMETERY TRUSTEES

s in the past three years we had a lot of rain in June and July. We were kept busy cutting the grass.

In the fall the snow held off long enough for us to get the leaves picked up in all of the cemeteries. The ice storm caused quite a lot of damage. All of the head stones did not sustain damage. We were able to start cleaning up some of the brush until we got too much snow. This project will continue in the spring of 2009.

Residents of Mason interested in purchasing cemetery lots at Prospect Hill Cemetery may contact Wallace A. Brown, Sexton, at 878-1481 for details.

Respectfully submitted,

Cemetery Trustees

TOWN of MASON ELECTION MARCH 11, 2008

The Moderator, Catherine Schwenk, called the town election to order. The polls were declared open at 7:01 AM. Three absentee ballots were opened by the Moderator at 1pm. Checklist total was 940. The polls were closed at 7:13 PM after 394 had voted.

The Moderator administered the oath to the following ballot counters:
George Schwenk, Douglas Whitbeck, Mary McDonald, Rachel Petersen,
Lauren Mann, Anne (Nancy) Richards (counted school ballots only), Dorothy Mitchell, Dr.
Christopher Guiry, Pauline Bergeron, Florence (Sally)Wilson, Barbara DeVore, Mark Richardson,
Wolfgang Millbrandt, Joan Losee, and Charles Moser

The results of the Town Election on Article 1 were as follows:

Moderator for 2 years: Catherine Schwenk 355

There was 1 write-in vote

Town Clerk for 3 years: Susan Wagoner 357

There were 3 write-in votes

Selectmen for 3 years: Anne (Nancy) Richards 314

There were 20 write-in votes

Tax Collector for 3 years: Susan Wagoner 356

There were 3 write-in votes

Supervisor of the Checklist for 6 years: Kathy Chapman 349

There were 2 write-in votes

Library Trustee for 3 years: Elena Kolbenson 343

There was 1 write-in vote

Trustee of Cemeteries for 3 years: Jeannine Phalon 340

There were 17 write-in votes

Trustee of Trust Funds for 3 years: Mark Calderan 63 write-in votes
There were 10 other write-in votes

The results of **Article 2** – the Town of Mason Planning and Zoning Ordinance question to see if the Town will vote to amend the Town of Mason Planning and Zoning Ordinance Article V Subsection B-4 with the adoption of Petitioned Amendment #1 as proposed by legal voters of the Town of Mason as follows:

Amend Article V, Subsection B-4 to read: A conventional lot shall be 350 feet of frontage on a class five highway pr better and the minimum lot area shall be 174,240 sq ft per dwelling unit. By petition.

Yes 182

No 164

The results of **Article 3** – to see if the Town is in favor of having the office of Town Clerk combined with the office of Tax Collector per RSA 41:45-a, I, thereby creating a new office of Town Clerk-Tax Collector to be held by one individual. If this is voted in the affirmative, then at the next annual meeting the Town shall choose by ballot one individual as Town Clerk-Tax Collector and such individual shall serve a term of three years. The term of the present individual in office as Town Clerk or Tax Collector shall cease and the newly elected Town Clerk-Tax Collector shall take office.

Yes 289

No 50

School Board Results:

MASON TOWN MEETING MARCH 12, 2008

t 7:30 PM the Moderator, Catherine Schwenk, came to the microphone and requested that non voters should wear non voter credentials and sit in the first row to the Moderator's left. There was no request for interpretive services. She then indicated the fire and emergency exits, acknowledged all those who were involved in the election, and introduced those who were sitting at the head table: Selectmen - Anne (Nancy) Richards, Mark Richardson, and Dr. Christopher Guiry; Town Clerk, Susan Wagoner and Wally Brown, Audio Specialist.

The Moderator reviewed the procedures for voters: Voters wishing to speak should use the microphones and address any questions to the chair; all amendments and substantive motions must be in writing and signed by the maker and seconded; every voter is entitled to speak on a debatable motion unless the body by a two-thirds vote has ordered discussion stopped; a voter is entitled to speak a second time on the same question provided all voters who wish to speak have spoken.

Appreciation was noted for Wally Brown's setting up the election facilities, the dedicated election workers, the Town Clerk and Deputy, the Supervisors of the Checklist, Selectmen, and Barbara Milkovits, Selectmen's Assistant.

The two March 12th birthdays were acknowledged - George Schwenk and David Baker

Dr. Christopher Guiry announced the Florence Roberts' bequeathing of the 40 acres on Valley Road to the Town of Mason a timeless gift and a unity of purpose. There will be no clearing or selective cutting allowed.

There were 130 voters and 4 non voters.

There was no objection to Richard Rockwood, the Town's Assessor, speaking to the meeting regarding Articles 9 and 18.

The Moderator announced the results of the Town elections and the school district. Total votes cast were 394. She declared the winning candidates elected to their respective office.

There were no errors or omissions in the town report.

The Town Meeting was called to order by Moderator Catherine Schwenk at 7:40 PM. The colors were presented by J. Robert Guiry, Christopher Elliot, Daniel McGuire, Nathan O'Brien, Nicholas Calderan, Thomas McGuire, Robert Anderson and Shawn O'Grady of Boy Scout Tr. 264 It was a distinct pleasure by the Moderator to present Cristina Calderan, the President of the Mascenic Student Council, member of the Honor Society and a leader in three sports, to lead us in the Pledge of Allegiance to the Flag of the United States of America.

Dave Cook was recognized by the Moderator. He read a letter thanking the Highway Department workers, the Police officers, the Building Inspector, the Selectmen, the Selectmen's Administrative Assistant, the Emergency Director, the private contractors and the residents of the town for their patience and understanding during the major road repairs caused by the April 2007 floods.

There was no objection to waiving the reading of the Warrant.

Article 4: Mark Richardson moved and it was seconded that the Town vote to raise and appropriate the sum of One million five hundred thirty-five thousand, one hundred thirty-eight dollars (\$1,525,138) which represents the operating budget. Said sum is exclusive of all Special or Individual Articles addressed.

Mark Richardson proposed an amendment to correct the discrepancy between the dollar figure and the written figure of the budget. This amendment carried unanimously.

Mark Richardson proposed an amendment to correct the 6030-02 figure by \$5033 to be \$21033. This carried unanimously.

Dave Cook proposed an amendment to change the total of lines 6018 and 6019 by a total of \$50,000. This carried unanimously.

The new proposed budget, as amended, of \$1,580,171.00 carried unanimously.

Joe McGuire made a motion and it was carried to advance Article 17 to be heard prior to Article 5.

Article 17: Mark Richardson moved and it was seconded that the Town vote to authorize fifty-percent of the Land Use Change Tax collected pursuant to RSA 79-A: 25 to be deposited into the existing Conservation Land Protection Fund in accordance with RSA 36-A: 5, III as authorized by RSA 79-A: 25, II and the balance (fifty- percent) of the Land Use Change Tax will be deposited into the General Fund. If adopted this article shall take effect April 1, 2008, and shall remain in effect until altered or rescinded by a future vote of the Town meeting. (This article was previously voted at 100% of the Land Use Change Tax deposited into the Land Protection Conservation Fund at the March 2000 Town Meeting.)

After much discussion Robert Lavoie, in memory of Don Richards, moved the previous question which carried unanimously. There was no objection by Garth Fletcher. This motion was defeated.

Article 5: Dr. Christopher Guiry moved and it was seconded that the Town vote to raise and appropriate the gross sum of Five hundred thousand dollars (\$500,000) to be used only for acquisition in the name of the town of the fee or lesser interest in Conservation land and other costs associated therewith for permanent conservation use, and further to authorize the Selectmen to accept private donations of land, interest in land, or money. This appropriation is contingent upon the receipt of Four hundred twenty thousand dollars (\$420,000) in private donations and other sources of funds. And to further authorize the issuance of not more than Eighty thousand dollars (\$80,000) of bonds or notes in accordance with the provisions of the Municipal Budget Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Said appropriated funds and other funds raised for this Conservation land acquisition may be expended by majority vote of the Mason Conservation Commission. A two thirds (2/3) ballot vote is required. After much discussion, the polls were opened at 9:14 pm and closed at 10:14pm. The motion carried with 110 Yes and 20 No.

Dr. Christopher Guiry moved and it was seconded to move articles 9 and 18 to be heard next. The motion carried.

Article 9: Anne Richards moved and it was seconded that the Town vote to raise and appropriate the sum of Seven thousand dollars (\$7,000) to fund a sales analysis and to adjust inequitable property values, on a universal basis, as created/indicated by market data, for the tax year April 1, 2008. The monies are to come from general taxation. (Required by the Department of Revenue to maintain equitable property valuations and certification.)

Mr. Rockwood, the Town's assessor, spoke to this issue to explain the process. The motion carried unanimously.

Article 18: Dr Christopher Guiry moved and it was seconded that the Town vote to modify a restrictive covenant imposed on Tax Map B, Lot 24 on the eastern side of Starch Mill Road, which now provides that there will be no building, structure, or other development on the lot so that the restrictive covenant as modified will provide that there will be no residential building structure or other structures requiring sewage disposal facilities, but that structures such as a garage for motor vehicles, barn, maple sugar house, or shed would be permissible. By petition.

Mr. Rockwood spoke to this issue.

previously established.

Robert Lavoie made a motion to amend this to insert before garage to read "2 car" and after garage to read "maximum". The amendment was defeated.

The original motion was defeated.

Article 6: On motion of Anne Richards it was VOTED unanimously to raise and appropriate the sum of Thirty thousand dollars (\$30,000) to be added to the Highway Equipment Capital Reserve,

Article 7: Mark Richardson moved and it was seconded that the Town raise and appropriate the sum of Ten thousand five hundred dollars (\$10,500) to pay the Nashua Regional Planning Commission (NRPC) for the costs resulting from the Town of Mason joining NRPC. These costs are primarily administrative costs and costs associated with updating NRPC's Geographic Information System (GIS) database and Regional Travel Demand Model to include the Town of Mason. This will be a non-transferable appropriation per RSA 32:10, I and shall only be used for this express purpose.

Mark McDonald, Chairman of the Planning Board, spoke to this issue explaining the reasoning behind changing from South West Region Planning Commission to Nashua Regional Planning Commission. The motion carried

Article 8: On motion of Dr Christopher Guiry it was VOTED unanimously to raise and appropriate the sum of eight thousand seven hundred dollars (\$8,700) for the following purposes: \$5,000 for a tape and compass survey of town forestlands to include deed research of land for future selective cutting; \$2,500 for the maintenance of the Mason Railroad Trail as fire lane access to the Mason Town forests; \$1,000 for blue bird establishment and view maintenance on land, donated by Bronson Potter, on Greenville Road and \$200 for lecture series for topics covering forestry and ecology management. Such funds will come from the Forest Maintenance Fund, previously established.

Article 10: On motion of Mark Richardson it was VOTED unanimously to raise and appropriate the sum of Five thousand dollars (\$5,000) to be added to the Library Building Capital Reserve Fund previously established.

Article 11: Dr. Christopher Guiry moved and it was seconded that the Town vote to raise and appropriate the sum of Five thousand dollars (\$5,000) for the support of the activities of Old Home Day to be held in Mason on September 13, 2008. By petition.

Charles Moser spoke to this issue – the celebration will be for the 240th year of the charter and also the birthday of Uncle Sam Wilson. The motion carried unanimously.

Article 12: On motion of Anne Richards it was VOTED unanimously to raise and appropriate the sum of Four thousand dollars (\$4,000) for the purchase of a new copier for the Town Office.

Article 13: On motion of Mark Richardson it was VOTED unanimously to raise and appropriate the sum of Three thousand one hundred fifty dollars (\$3,150) for the completion of work on water hole at Mason Fire Station and to authorize the use/transfer from the December 31, 2007 Fund Balance of that amount received from FEMA for the April flood damage.

Article 14: On motion of Anne Richards it was VOTED unanimously to raise and appropriate the sum of Five hundred fifty dollars (\$550) to be added to the Cemetery Land Improvement Trust Fund, previously established and to authorize the use/transfer from the December 31, 2007 Fund

Balance of that amount received from the 2007 sale of cemetery lots for this purpose.

Article 15: On motion of Dr Christopher Guiry it was VOTED unanimously to create an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Town of Mason K-9 Program Expendable Trust Fund, for the purpose of establishing a fund for the support of the Mason Police Department K-9 Program, and furthermore to raise and appropriate the sum of Five hundred dollars (\$500) to be placed in this fund, and furthermore to appoint the Board of Selectmen and the Police Chief as agents to expend from the Town of Mason K-9 Program Expendable Trust Fund.

Article 16: On motion of Anne Richards it was VOTED unanimously to accept the donation of a thermal imaging camera from the Mason Fire Department Association.

Article 19: Mark Richardson moved and it was seconded that the Town vote to support the following finding:

Whereas converting unmaintained town roads (Class 6) to town maintained roads (Class 5) can be done either by the Selectmen under RSA 231:8 or by the Town Meeting under RSA 231:22-a, and

Whereas Class 6 roads were originally abandoned as not serving sufficient public need, and

Whereas such conversions impose a long-term obligation on the taxpayers for annual maintenance expenses (about \$10,000 per year per Class 5 mile in 2006), and

Whereas Mason taxpayers already pay to maintain more Class 5 road mileage per household than 76 of the 79 comparable NH towns (2001 study), and Whereas such conversions by-pass any Planning Board review for compatibility with the town's Master Plan or the needs of the community,

Therefore the Town Meeting concludes that such conversions require broad based public review and respectfully requests that the Selectmen defer such conversion decisions to the Town Meeting under its RSA 231:22-a authority. By petition.

After much discussion, a motion to move the previous question carried. The motion carried by hand count - Yes 38 No 27

Article 20: The withdrawal article on the school district warrant carried and Mason may withdraw. On motion of Christopher Guiry it was VOTED unanimously that the Town postpone indefinitely the vote in favor of the withdrawal of the Town of Mason from the Mascenic Regional School District in accordance with RSA 195:25.

Article 21: On motion of Anne Richards it was VOTED unanimously that the Town authorize the Selectmen and the Road Agent to sell or dispose of surplus equipment from the Highway Department.

Article 22: On motion of Mark Richardson it was VOTED unanimously that the Town authorize the Selectmen and the Fire Chief to sell or dispose of surplus equipment from the Fire Department.

Article 23: On motion of Dr. Christopher Guiry it was VOTED unanimously that the Town authorize the Selectmen and the Police Chief to sell or dispose of surplus equipment from the Police Department.

On motion of Anne Richards and seconded by many voices, the meeting was adjourned Sine Dai at 11:10 PM

Susan J. Wagoner, Town Clerk

PLODZIK AND SANDERSON 2007 AUDIT

We have audited the accompanying financial statements of the governmental activities, the major fund and the aggregate remaining fund information of the Town of Mason, which collectively comprise the Town's basic financial statements as of December 31, 2007 as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express opinions on these financial statements based on our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Mason's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.
